

North American Exclusive: SPLaT! Radio Imaging presents TRIL—The Radio Imaging Library

Exclusive North American Distribution!

The Radio Imaging Library

SPLaT! has teamed up with one of Europe's leading creative forces, Capital of Media, to bring exciting new radio imaging to North America. Matching artistic vision with innovative production, their imaging work has been featured on some of the biggest radio stations throughout Europe and around the world. Available now exclusively through SPLaT! Radio Imaging.

TRIL is: The first crossover imaging package that's as diverse as today's radio playlists

TRIL is: A music intensive, multi-format imaging package geared towards Modern AC, CHR and Urban radio

TRIL is: Power packed and updated constantly with song intros, workparts, music beds, drops, fx and more

TRIL is: Already making an impact in the radio industry

"TRIL produces high quality imaging elements. They're on top of all the music and artists that are hot on radio right now."

Bryan Griggs, Production Director for Alpha Media/Radio Northwest Network in Portland, OR

"The imaging and production is among the best on the market, TRIL easily rivals the current industry leaders."

Tim Kelly, Imaging Director with Cox Media Group,

Don't wait until it's too late.

TRIL is available right now in your market, so snag it first and make your competition suffer the consequences. TRIL is market-exclusive on a barter basis.
